About Me

I am a B.E Computer Science and Engineering student at **A. V. C College of Engineering (2027)** with skills in **Java** and **MERN** stack. I have solid knowledge of **DBMS**, **Operating Systems**, and **IoT**, and hands-on experience using **VS Code** and **GitHub** for development. I am a quick learner with strong problem-solving and leadership abilities, seeking a fresher opportunity as a **Software** or **Web Developer** to apply and enhance my technical skills.
